The Honorable Scott Wiener  
State Senator  
455 Golden Gate Ave #14800  
San Francisco, California 94102

Dear Honorable State Senator Wiener,

My name is Om XXXXXX, and I am a sixth grade student at XXXXX XXXXXX School in San Jose. I am writing to convey about the issue of homelessness.

This issue is important because it affects the people in our state, especially San Francisco. This leads to increased risk of violence, poor mental health, and drug abuse. I discovered this trouble through going to San Francisco on the weekends. I saw many homeless people begging for food and money. I believe that addressing this problem will make a meaningful difference to the homeless people by getting them out of the conditions that they are already in such as poverty and physical abuse.

I respectfully urge you to vote yes on AB-2097. AB-2097 will inform builders that they don't have to add parking near buses or train stations, so it is cheaper to build more homes. Passing this bill would benefit homelessness and help improve the conditions of garbage, cigarette butts, and violence in the community.

I would greatly appreciate a response to understand your position and what steps you plan to take regarding this issue. Thank you very much for your time and for considering the views of young people in our community.

Sincerely,

Om XXXXXXX
